Elimination of “Types”

- The Act replaced the prior four “types” (A, B, C, and D) with two categories: charitable and non-charitable.
- The new structure is aimed at making the incorporation process easier.
- Non-profit corporations formed before July 1, 2014 are automatically re-classified as charitable or non-charitable.

Applicability to Foreign Corporations

The Act is not explicit regarding its applicability to “foreign corporations”:
