^{*}Revised due dates resulting from the Surface Transportation & Veterans Health Care Choice Improvement Act of 2015

^{**&}quot;SAF" means the state return due date is the same as the federal return due date.

⁽a) Note that unlike tax returns, FBARs do not have a next-business-day rule if the deadline falls on a Saturday, Sunday, or legal holiday

⁽b) The extension will be a single, automatic six-month extension, easing the administrative burden on exempt organizations by simplifying the process of extending the Form 990 returns, and eliminating the need to request a second extension after three months.

⁽c) For fiscal year estates, the original due date is the 15th date of the fourth month after the year-end. The extended due date is 51/2 months after the original due date. Trusts are always on a calendar-year basis.

⁽d) For C corporations, the due date is the 15th day of the fourth month following the close of the tax year. For C corporations with fiscal years ending on June 30, this change is deferred until 2026. Corporations will be allowed an automatic six-month extension, except the five-month extension until September 15 will remain for calendar year corporations until 2026, and corporations with a June 30 year-end will get a seven-month extension until 2026.

⁽e) Partnerships will be required to file their returns by the 15th day of the third month after the close of their tax year, and will have a maximum sixmonth extension.
